Program Benefits

Included Services

- Dedicated claims liaison, adjuster, and litigation manager for all lines of coverage
- Automated claims filing and state of the art RMIS
- Contractual risk transfer (contract review of vendors, contractors, and other service providers)
- Property Inspections
- Monthly loss prevention bulletins in English and Spanish
- Premium finance flexibility

Additional Services for a Fee

- Loss prevention and safety training seminars
- Risk management and ERM consulting
- Business continuity, emergency response, and reputational risk management
- Value creation opportunities (e.g., renters' insurance program)
- Environmental Health and Safety (EHS) risk transfer and mitigation

How it works

What we need from you

Good Data

- Accurate COPE data and hard copy loss runs (required).
 - Electronic submissions are preferred based on a preformatted excel spreadsheet.
- MRMG has a custom in-house RMIS designed to automate almost all steps in the process. Supplemental loss analysis and other information (optional).

Lead Time

- New Entity Approval
 - Company description
 - Hard copy loss runs and all loss data
 - Two weeks minimum for approval after receipt of all accurate and complete information.
 - Locations with TIV over \$25M require more time for approval.
 - CAT heavy accounts will require more time.

Understanding

- Not all risks will be approved.
- Not all risks will accept the price.
- However, on average, you will consistently win a higher quality and longer-term client with our product and service.

What we will give you

- Quotes within 3 business days after receipt of complete information
- Binders (memoranda) within 5 business days
- Invoices within 3 business days
- Premium finance quotes within 5 business days
- Policies within 30 business days if bound during the policy period and within 90 days for renewal
- Handling of SL tax filings
- Ongoing expertise and support

It's not about ideas.
It's about making ideas
happen'

- Scott Belsky
